

Dear friend and supporter:

Did you know:

- 1 in 10 newborns are diagnosed with a vascular birthmark each year.
- 90% of those birthmarks will disappear by age 2.
- The remaining 10% will have a vascular birthmark significant enough to require the opinion of a medical specialist.
- Through the resources provided by the **Vascular Birthmarks Foundation** (VBF), over 125,000 children and adults with vascular birthmarks have received medical attention.

Since its inception in 1994, VBF has grown to be the leading global not-for-profit for providing informational resources to families affected by vascular birthmarks. VBF hosts an annual medical conference and clinic focusing on educating physicians and families with the latest information in diagnosing and managing vascular lesions. Patients and their families meet with a team of world-renowned experts and obtain an accurate diagnosis and treatment plan. Additionally, VBF offers free laser clinics across the world to provide access to those who cannot attend the annual conference/clinic.

In 2022, our event hosted both a virtual and an in-person event. We were thrilled to have over 700 athletes and over 50 teams participating from around the world! We connected our athletes through videos, challenges and incredible stories from our amazing birthmark community members. Our event raised over \$25,000 in 2022 for the VBF; to date, we have raised over \$133,000 and are motivated to keep going!

My 8-year-old daughter, Meghana, received a confirmation diagnosis of a port wine stain on the right side of her face by one of the expert VBF physicians. They were able to connect us with a highly skilled medical team at the University of Michigan where she is currently receiving ongoing laser treatments, since 2015. The Purple Polka Dot Race is named after the purplish polka dots temporarily marking her face following her laser treatments.

Because of your prominence in our community, I am writing to request your participation as a sponsor in our 2023 fundraising and awareness building event: **The 8th Annual Purple Polka Dot Race** on August 13th at Stony Creek Metropark in Shelby Twp, MI. Your company would be associated with an international organization, VBF, with a growing local presence dedicated to helping children with birthmarks and giving hope to adults with a vascular birthmark. Every \$500 we raise together, will help send a family to the VBF annual medical conference for FREE.

I have attached a description of the benefits associated with each sponsorship level. We are counting on your support and will be following up with you as we plan August's event. To confirm sponsorship or to discuss this opportunity in greater detail, please feel free to contact me, Jody Lee at purplepolkadotrace@gmail.com or 267-738-2161.

Wishing you polka dot thoughts
Jody & Meghana Lee

PURPLE POLKA DOT RACE 5K/10K RUN/WALK & FAMILY FUN RUN

SPONSOR OPPORTUNITIES

AUGUST 13, 2023 STONY CREEK METROPARK – EASTWOOD BEACH

PURPLE SPONSOR (\$800+)
